JACOB UND WILHELM GRIMM BRIEFWECHSEL  
KRITISCHE AUSGABE

The S. Hirzel publishing house was founded in 1853 by Salomon Hirzel in Leipzig. Since its beginning it has been closely associated with Jacob und Wilhelm Grimm's edition of *Das Deutsche Wörterbuch*. Today, Hirzel remains active in Grimm publishing and scholarship and is issuing the ongoing reworked edition of the Grimm Dictionary.

Hirzel's critical edition of the Grimm *Briefwechsel* was begun in 1995 with the formation of an editorial team which now numbers forty academic specialists. In the intervening time, Hirzel has issued 6 volumes (in 7 books) of the correspondence.

InteLex is proud to offer this monument of philological scholarship. Further volumes of the edition will be added as they appear.

Further German authors represented in collected editions from InteLex include: Leibniz, Kant, Goethe, Schiller, Fichte, Hegel, Schopenhauer, Feuerbach, Nietzsche, Weber, Simmel, Weininger and Wittgenstein.

InteLex Corporation's *Past Masters* series encompasses the largest collection of full-text electronic editions in philosophy in the world. The series features significant collections in political science, religious studies, education, French and German studies, sociology, philosophy of science, economics, and classics. InteLex acquires and develops definitive editions of the full corpora of the seminal figures in the history of the human sciences, including their unpublished texts, articles, and correspondence. The *Past Masters* series has opened a new and exciting chapter in the history of scholarly research, and is now being utilized at over 200 research libraries in North America and Europe, and at over 1300 institutions in 46 countries worldwide.
